ABOUT

Passionate Front-end Developer skilled in **HTML**, **CSS** and **JavaScript**. I have honed my ability to create responsive and user-friendly web interfaces. Strong independent and collaborative work ethic. Passionate about crafting seamless user experiences and staying current with industry trends.

SKILLS

- HTML
- CSS
- JavaScript

EXPERIENCE

CodSoft - Intern

09/2024 – present

Web Developer

- At this company, I learned various skills such as HTML, CSS, and JavaScript. I also worked on projects like user authentication and Restaurant web landing page, gaining a strong understanding of front-end web development concepts.
- Enhanced debugging and problem-solving skills by troubleshooting issues in web applications, improving site performance and user experience.

PROJECTS

User Authentication

- This project was developed using HTML and CSS. Its key features include a home page, login page, and signup page.
- The design emphasizes user-friendly navigation with clear call-to-action buttons.

Restaurant Landing Page

- The restaurant landing page was created using HTML and CSS.
- This project includes many features, such as a search function, the ability to view various food items, and an intuitive layout for easy navigation.
